Western Bank Villa's

Providing the interior design element for the University of Sheffield's Management School for its newly located home within Western Bank Villa's, showed how di-verse the team can be.

Creating a modern warm executive education learning facility for both academics and professional staff alike and breathing fresh life into this wonderful Georgian villa.

Our brief included creating teaching and break out areas, academic offices and pro-fessional staff facilities. Furniture for all aspects of the project was supplied along-side key bespoke joinery elements, external benches and the nicer finishing touch-es that really make a difference.

The works comprised:-

- Bespoke Joinery
- Corian® Fabrication
- Contract Furniture
- Office Furniture
- Site Installation
- Design
